No. 2017-02

3/6/2017

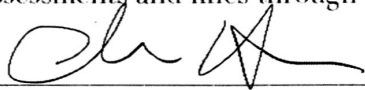

WHEREAS, the Association has the responsibility to collect assessments and fines.

WHEREAS, SilverHawk has authority under the Declaration on file, as amended from time to time, to place a lien on real property in SilverHawk for failure to pay assessments or fines, subject to the limitations in Oklahoma Statutes.

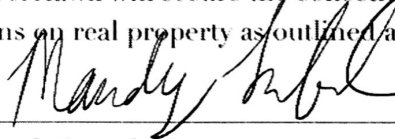

WHEREAS, the Directors of SilverHawk have developed a procedure to file liens on real property.

WHEREAS, the procedure is to send notice to the owner of real property, following the due date of the assessment or fine, that a lien will be filed if the payment plus interest accrued at a rate set forth in the Declaration, is not received by the 15th of the following month.

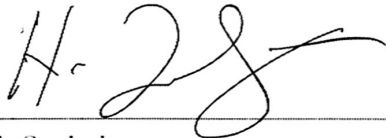

THEREFORE BE IT RESOLVED, that SilverHawk will secure the collection of assessments and fines through the use of liens on real property as outlined above.
